

ASSURA NURSING CARE

Strategic Business Partner & Investment Pitch Deck

1. Executive Summary

Assura Nursing Care is a tech-enabled, hospital-grade home healthcare platform operating in Malaysia. We deploy licensed Registered Nurses (LJM certified) equipped with a proprietary clinical operating system featuring cloud MEWS scoring, digital MAR medication charting, wound healing staging, tube expiry tracking, and digital procedure consent signatures.

2. Market Opportunity & Silver Economy

- **Silver Economy Boom:** Malaysia is officially an aging nation (7%+ above 65) reaching super-aged status by 2030.
- **Hospital Bed Crunch:** Tertiary hospitals face severe bed constraints and seek trusted home care partners for early discharge.
- **Fragmented Home Nursing:** Traditional agencies rely on pen-and-paper charts and unverified caregivers.

3. Core Competitive Moats

1. **Hospital-Grade Clinical System:** Cloud MEWS vital score calculations, automated vital escalation alerts.
2. **Scalable 80/20 Unit Economics:** Nurses receive 80% take-home pay; Assura retains 20% platform margin.
3. **72-Hour Doctor Referral Link:** Temporary PIN-protected portal for hospital specialists to review vitals.
4. **Digital Procedure Consent:** Touchscreen signature capture before invasive procedures.
5. **Bedside Consumables Auto-Billing:** Automated consumption billing on Clock-Out (~80 items, 40-60% margins).
6. **1-Tap Emergency SOS Beacon:** Instant 999 dialing and GPS dispatch coordinate generation.

4. Revenue Model & Financial Economics

Service Stream	Client Pricing	Platform Share	Margin
Procedure Visits	RM 120 - RM 350 / visit	RM 24 - RM 70 / visit	20% + Consumables
Long-Term Shifts	RM 250 - RM 650 / shift	RM 50 - RM 130 / shift	20% Commission
Medical Consumables	Catalog unit pricing	Direct markup profit	40% - 60% Margin
Hospital Discharge	Contract referral packages	Volume recurring revenue	High recurring LTV

5. Partnership Models

- **Equity / Strategic Investor:** Capital injection for regional marketing and nurse acquisition.
- **Clinical Partners (Doctors / Clinics):** Referral partnership with revenue sharing.
- **Regional City Franchise:** Turnkey licensing to expand Assura to new states.
